

Mental Health Counselor

\$20-\$25 per hour up to 10 hrs per week (Evenings Required)

The function of the Mental Health Counselor is to provide confidential clinical assessment and counseling services, for eligible Stonington residents, as directed and supervised by the Clinical Supervisor. Such clinical services will include assisting individuals, families and groups with assorted mental health issues that impact their well-being.

The skills and knowledge required would generally be acquired with a Master's level licensed or licensed eligible Clinician. The position requires scheduling flexibility, strong organizational, computer, interpersonal, listening, oral and writing skills. The ability to relate well to youth, seniors and the general public is also necessary. A criminal record check and valid Motor Vehicle Operator's License are required. Letters of interest with resumes must be submitted to the Director of Administrative Services, 152 Elm Street, Stonington, CT 06378 not later than, Tuesday, September 15, 2015. **FAXED OR E-MAILED RESUMES WILL NOT BE ACCEPTED.** The Town of Stonington is an EOE.
